

PACKAGING TOOLKIT

This week we are celebrating our **Every Day Heroes**. As this week is more about showing appreciation to these Every Day Heroes, we have reused some of the carton bases from last week. This weeks lessons are all about packaging fun facts.

WHAT YOU WILL NEED:

Printer

Scissors

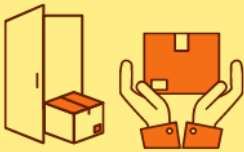

Paper

Colour Pencils

EVERY DAY HERO:

Delivery Worker

PACKAGING FUN FACT:

Paper and board is the most recycled packaging material in Europe.

HOW TO MAKE:

You can choose whether you want to colour in your own design or use the one that has already been coloured-in by our graphic designer!

1. Once you have folded all the flaps, put the two panels with the delivery helmet back-to-back.
2. Very carefully bend the two side flaps over the the helmet tab, one-by-one.
