

# PACKAGING TOOLKIT

Today, we have created a special edition of our Packaging Toolkit as it is our final Toolkit.

We started this project to help entertain and educate children while they were homelearning. With the Government's announcement that schools will be opening from the 1st of June, we have decided that this will be our final toolkit.

To celebrate, we have created a beautiful Spring Garden toolkit.

## WHAT YOU WILL NEED:

Printer

Scissors

Paper

Glue

Colour Pencils

## MAKE YOUR OWN :

Spring Garden

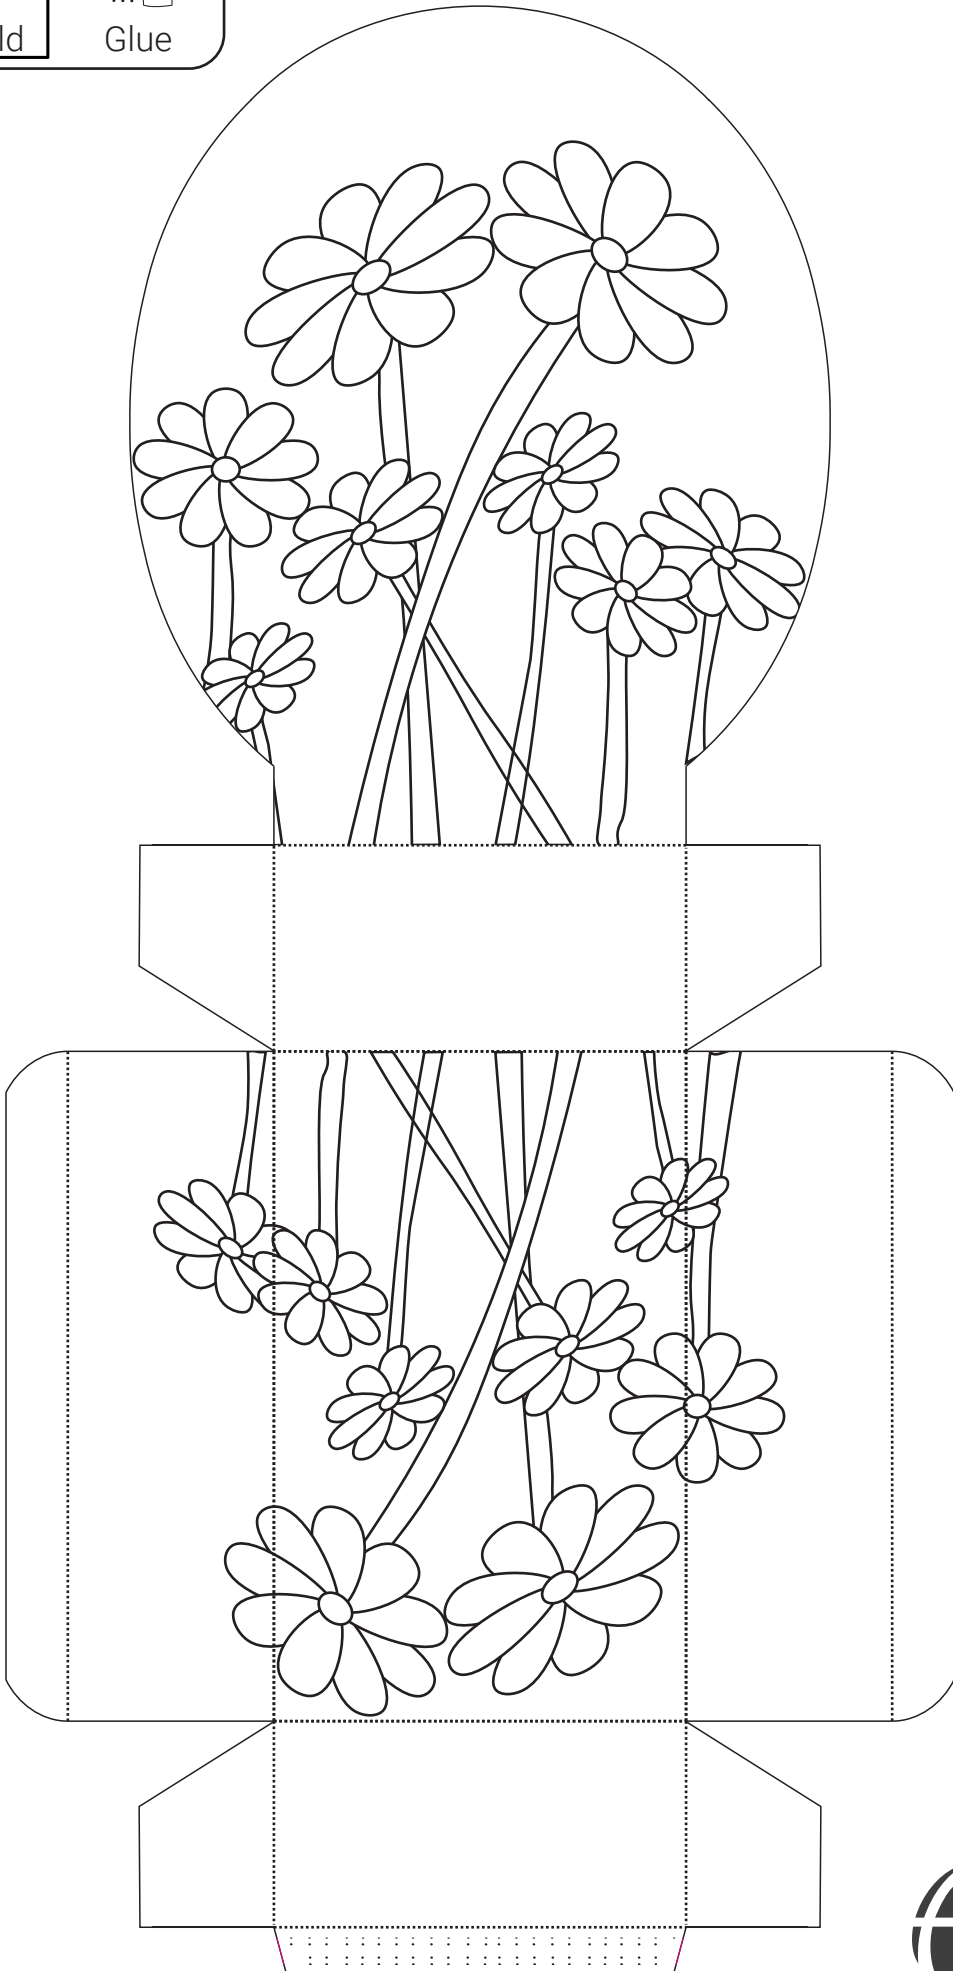

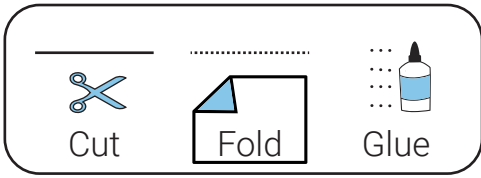

## HOW TO MAKE:

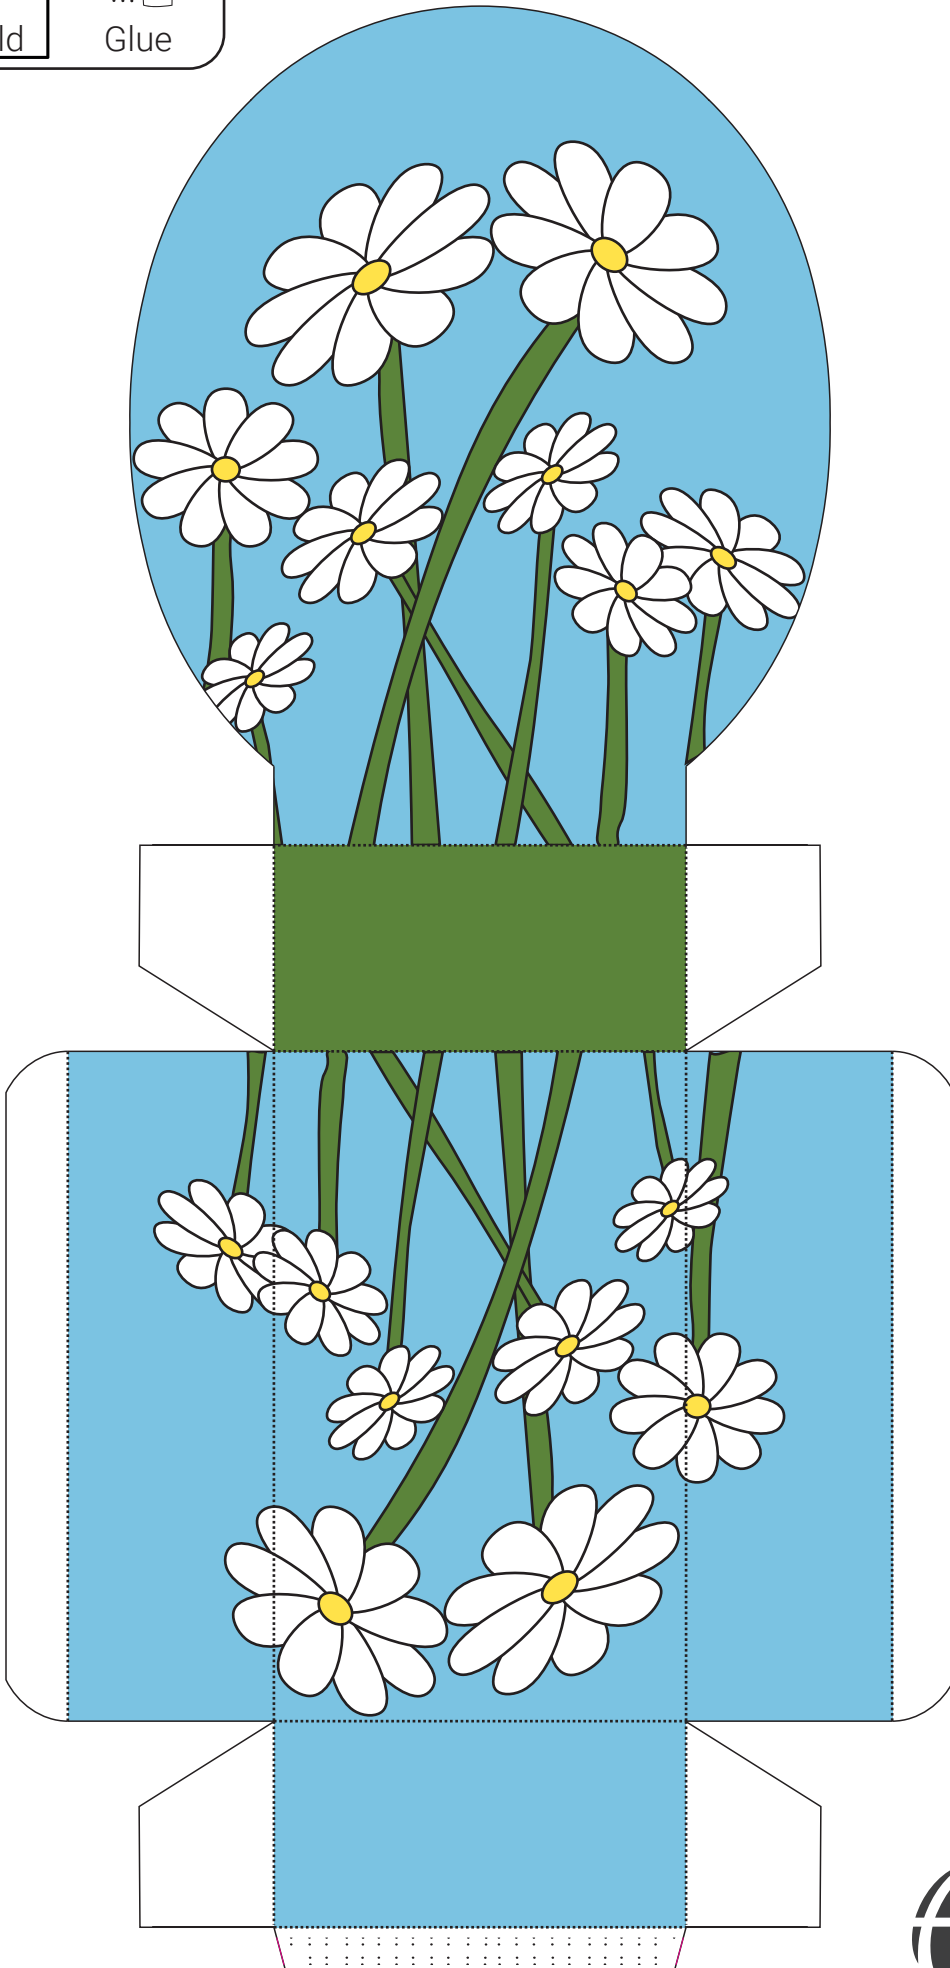

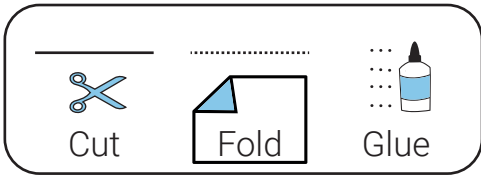

You can choose whether you want to colour in your own design or use the one that has already been coloured-in by our graphic designer!

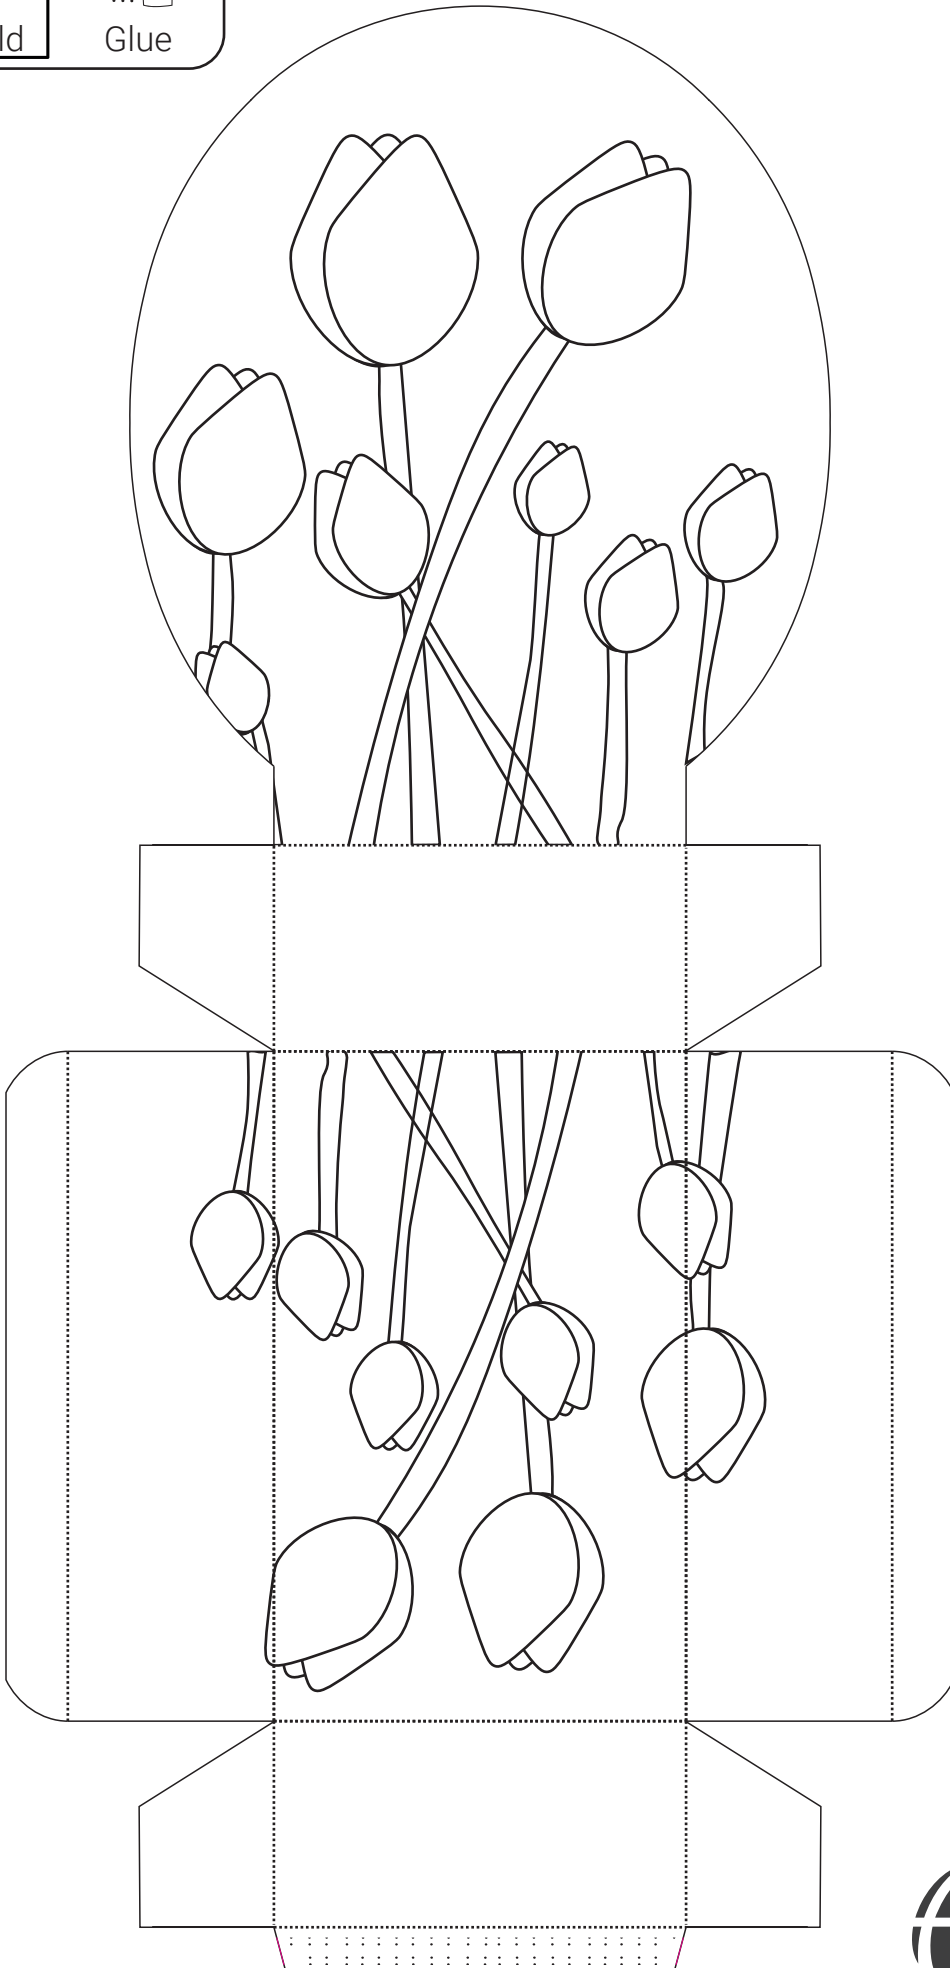

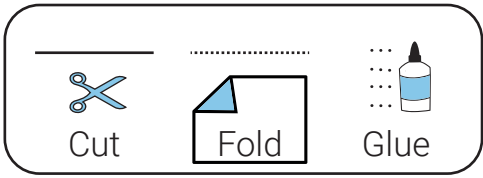

1. Print the PDF and cut out the template.
2. Fold along all of the crease lines.
3. Place glue on the glue flap and stick it to the back of the front panel.
4. Tuck in the side flaps and it will look like a matchbox.
